The ABC protocol

Advanced Body Contouring

Fat reduction, muscle definition and skin tightening, combined into one plan. Over 15,000 CoolSculpting procedures, and the only practice in Georgia treating four areas at once.

Body treatments

CoolSculpting Elite Freeze fat cells away, no surgery, no downtime. Two dual Elite systems on site.

truSculpt flex Radio-frequency building for abdomen, thighs, arms and glutes.

Morpheus8 Body RF microneedling for abdomen, thighs, glutes and arms.

Fat reduction Which technology fits which area, decided at your consultation.

truSculpt iD Radio-frequency fat reduction, faster sessions, fewer treatments per area.

Fire & Ice truSculpt iD and CoolSculpting together. Fat reduction, tightening, cellulite.

Forma Plus Gentle RF treat that rebuilds collagen and tightens body skin.

Body skin tightening Morpheus8, Forma Plus and the protocols behind them.

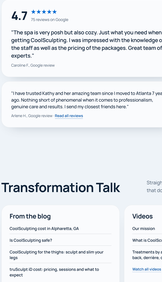
A private suite, not a treatment room

Since October 2014, first in Buckhead and since 2022 in Alpharetta, the standard has been the same: the best results, in a luxury environment, beyond expectations.



Five-star comfort Plush seating, crystal lighting, a room that is yours for the whole visit.

Spa snacks and refreshments Longer treatments come with the little things that make the difference.

Phone, iPad and Wi-Fi Catch up on email, work or a show while the technology does its job.

Four areas at once Your CoolSculpting systems, two of them dual Elite. Less time in the chair.

2014 Doors open in Buckhead. Within months, The Atlantan recognizes the luxury environment.

2015 First Best of the City. Won every year since, and Diamond status from CoolSculpting.

2022 Move to Alpharetta to serve north Atlanta clients who expect a luxury environment.

Today 15,000+ custom treatments, top-40 CoolSculpting center in the U.S., 4.7 on Google.

Clinicians who train clinicians

Medical professionals, a nurse practitioner injector, aestheticians and registered nurses, with advanced training on every procedure, every year.

Kathy King
Owner and Managing Director
15 years of clinical experience. Former CoolSculpting practice development manager for Georgia, and the person who trains and train staff. She meets every client at their consultation.

Pradeep Sinha, MD, PhD, FACS
Medical Director
Double-board-certified facial plastic surgeon. Oversees the staff, every treatment and every protocol, and is available for surgical options.

M

Monica Bugg, FNP-BC
Aesthetic Injector
Board-certified nurse practitioner trained under Dr. Sinha. Facial balancing and natural rejuvenation with Botox, Dysport, fillers and Sculptra.

"It's not about the procedure. It's about the results. Isn't that what you really want?"
Kathy King, founder
